

MAKING MENTORS PILOT PROJECT

MENTOR EOI

Support your community. Become a mentor. 2019

Information for Mentors

Thank you for wanting to be a mentor for the **Making Mentors Pilot Project** that's being launched by the Barwon Network of Neighbourhood Centres in 2019.

This Project is designed to better support staff and volunteers (mentees) at Neighbourhood Houses in the Barwon Region, through professional development in a mentoring environment.

As a mentor, you will be a leader in your industry who will be matched through the **Making Mentors Pilot Project** with a mentee.

Please remember:

- This Project is 100% voluntary.
- You will meet your mentee for a minimum of 6 mentoring sessions from June to December 2019.
- The mentee will wear the 'pointy hat' in the mentoring relationship. This means the mentee will organise the mentor sessions, ie booking a time with you, the venue to meet and completing a small amount of paperwork following each catch up.
- Mentors will be required to complete some surveys as part of the evaluation of the Project in June and September 2019.
- And... it's a safe and professional relationship. You decide how much to share or not share with your mentor.
